EXPORT 2017

Den Goda Fen

Den Goda Fen (The Fairy Godmother), has been a family business since 1998. Founded in the heart of Stockholm, Sweden. What started as a small costume shop has grown into a whole-sales business.

More than a Costume. Our idea is to design and produce beautiful and playful fancy dress costumes for kids, with such quality that the costumes can be played in and last for many years. For care instructions and other specific info please visit www.godafen.se

Safety and sustainability is important to us and many of our products are made in Europe from organic cotton. All our costumes comply with EU's Toy safety directive (2009/48/EG and standard EN 71-1-2-3).

Imagination, our best friend!
